**Transformation Is The Key**

Isten Hozot.

In this day of global changes, we need more spiritual tools, as well as, logical and emotional tools to help us through the transition.

One way to help elevate our lives is through spiritual help, such as with prayer. It doesn't matter what your belief system is, they are all positive. I look at it as there is One Source, but many Paths to get there.

Do this Prayer every day for 3 weeks and be open to positive changes

**Pass this on to as many people as you know.** *The more people who are connected to you, the more Power.* Pass it on as soon as you start your Prayer.

**Transition Prayer**

By © Maria D'Andrea Solomon

Through Divine Power and in a Perfect way,  
I pray that all transformation is positive and comes to me with ease,  
And Lights up my Way.

That positive changes come into my life,  
Into the lives of those I connect with ,  
Those I've known and those I will know.

Transformational energy now goes to those around the globe,  
To me and to my ancestors from the beginning of time.

Amen,  
So Be It.

May God Bless You Abundantly, Maria
